Price Ten Cents

EATON Lines
Branded Lines
with confidence

IT'S A GOOD TIME

For you to get more widely acquainted with our numerous branded lines—to appreciate to the full just what complete measures EATON'S takes to ensure many everyday needs being available at prices that make them outstanding values. Take a "browse" around the store, we ask—see the displays, really give the goods a critical inspection.

LOOK FOR THIS SEAL

AN
EATON
BRANDED
LINE

It is distinctive, a clean red seal imposed on our tickets, carrying the wording as shown. A ready guide to thrift—for it always marks a considered leading value among regular day-to-day offerings!

## HERE IS WHY EXPERTS PREFER TO COOK WITH GAS...

Gas is the ONLY fuel that can give the heat-precision needed to bring out the best flavor, and to preserve the vitamins and natural color of the food you are cooking.

The exact heat required is at your finger tips—low and steady for simmer-cooking, quick and intense for searing or broiling, precision-heat for baking or oven dinners.

Gas is the most perfect cooking fuel known.

# Natural Gas

IT'S FROM 17%  
TO 50% FASTER

In the modern gas oven foods are cooked in sterilized fresh air that is constantly circulated. Meats broiled with Gas have that real open-fire flavor.

THE CANADIAN WESTERN NATURAL GAS,  
LIGHT, HEAT AND POWER COMPANY LTD.

## Thanks . . .

The Carnival Committee wishes to thank The Hudson's Bay Company, The T. Eaton Co. Ltd., Palliser Hotel, for valuable window displays, C. A. Traunweiser—for donation of flowers for the Flower Garden, Greyhound Lines for their co-operation, and all others for their valuable assistance in making this Carnival a success.

Helena Rubinstein Beauty Aids donated by Temple-Duff Drug Co. Ltd. were used exclusively in making-up the cast. Carnival Committee also wish to thank Miss Marion Smith and Miss Fern Jennings, both of Temple-Duff Drug Co. Ltd., for their assistance in this regard.

Special thanks go to the management and staffs of The Calgary Herald and Calgary Albertan who have co-operated and given of their valuable newspaper space for publicity.

*Now! Because It's More Important Than Ever that Your Car Will Travel Farther with Greater Economy, Maclin Announces*

# Car Conservation SERVICE

Ford, Mercury and Lincoln-Zephyr Drivers Are Assured Maximum Mileage with Minimum Waste of Gas, Oil and Rubber by Using This Revolutionary Service.

BEFORE Introducing Car Conservation service Maclin's service experts spent many months in exhaustive research grouping and regrouping the service operations deemed essential to assure maximum mileage and at the same time conserve fuel and rubber. And now Maclin Motors is pleased to announce Car Conservation Service, including those services which deserve the attention of motorists now more than ever before. Use it to get greater mileage from YOUR car . . . to save the gasoline, oil and rubber so vitally needed to win the war. Ask for Car Conservation Service at Maclin Motors . . . . . TODAY!

Typical items included in Maclin's new "CONSERVATION SERVICE" at special prices are:

#### TIRE SERVICE

Includes complete and exhaustive examination of all five tires, removing nails, checking breaks in the casing and rotating the tires to conserve rubber. Special Maclin Price

\$2.00

#### STEERING AND WHEEL ALIGNMENT

This includes complete test of wheel alignment and steering on the most accurate testing mechanisms, plus aligning of the wheels and adjustment of the steering to conserve rubber on tires. Special Maclin Price

\$3.85

#### MOTOR TUNE-UP

Includes thorough check of motor with the latest scientific instruments to conserve gasoline and give your car greater mileage on every gallon of fuel. Includes carburetor and fuel pump. Special Maclin Price

\$3.50
